

February 1, 2021

In accordance with UNM Faculty Handbook Policies C140 and C180, UNM Valencia will provide for a Special Administrative Component (SAC) to be added to a faculty member's contract under the following circumstances:

1. Assignment of Dean of Instruction responsibilities: For a faculty member who is willing and has been selected to assume Dean of Instruction responsibilities, a SAC of \$30,000 per academic year will be provided for the duration of the faculty member's appointment as Dean of Instruction. **this SAC has been combined with the base salary to form one salary line*
2. Assignment of Division Chair responsibilities: For faculty members who are willing and have been selected to assume Division Chair responsibilities, a SAC of \$8,000 per academic year will be provided for the duration of the faculty member's appointment as Division Chair.
3. Assignment of STEM Research Project Director: For faculty members who are willing and have been selected to guide the research efforts on a federal grant, a SAC of \$5,000 per academic year will be provided for the duration of the faculty member's appointment as STEM Research Project Director.
4. Assignment of Adult and Education Coordinator responsibilities: For a faculty member who is willing and has been selected to assume Adult Education Coordinator responsibilities, a SAC of \$3,000 per academic year will be provided for the duration of the faculty member's appointment as Adult Education Coordinator.
5. Assignment of Program Coordinator responsibilities: For faculty members who are willing and have been selected to assume Program Coordinator responsibilities, a SAC of \$2,500 per academic year will be provided for the duration of the faculty member's appointment as Program Coordinator.
6. Assignment of Assessment Coordinator responsibilities: For a faculty member who is willing and has been selected to coordinate student learning outcomes assessment activities, a SAC of \$2,500 per academic year will be provided for the duration of the faculty member's appointment as Assessment Coordinator.
7. Assignment of Principal Investigator duties: For faculty members who are willing and have been selected to be a Principal Investigator on a federal grant, a SAC of \$1,000 per academic year will be provided for the duration of the faculty member's appointment as Principal Investigator.
