*The Employment Areas/EDCs and Payroll will make every effort to process before Winter Break, all transactions, that are received by the above deadlines with complete documentation and paperwork.

Please try to get your transactions in as early as possible prior to the deadlines to prevent an overwhelming volume of transactions. This will help us all to get our employees paid prior to the break.

** All postings need to have a Best Consideration date of Jan 3, 2018 or later since there will be no support for our applicants during winter break.
